COUPLES BOWLING

Our latest meet up at Bowlero was a blast! Strikes, laughs and friendly competition made for a perfect night. Thanks for organizing, Katie & Mike!

Another thanks goes out to Katie and Mike for organizing a group workout class for CCM&T members in January!

February Board Pick: Easy & Fun Indoor Activities

File these ideas away to keep the kids entertained on the next bad weather day

Petsmart

Recommended by: Mike

We discovered this by accident when we had to pick up dog food, but our daughter (2) loves it! She is a huge animal lover and they have a great selection of fish, hamsters, lizards for us to check out. There are usually dogs at doggy daycare which provides some great entertainment for her.

Rainbow Play Systems

Recommended by: Danielle

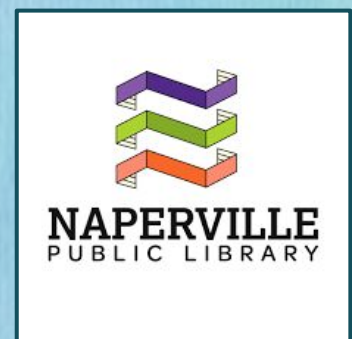

Let the kids burn off some energy at a fully enclosed playground sanctuary! Play grounds, trampolines, and lots of space to run, this place is sure to make a dent in that cabin fever. (Only open weekdays)

Story time at Naperville Public Library

Recommended by: Lexi

The library offers family story time several days of the week! We love to go a little early and check out books and play in the open play area. There are toys and activities for all ages!

Walk the Mall

Recommended by: Rachel

My kids (ages 4 and 2) love a trip to the mall. Our favorite is Fox Valley - plenty of fun spaces to explore and burn energy, escalator and elevator rides galore, and even an occasional carousel ride!

Playroom Cafe Two

Recommended by: Roby

This is an adorable play cafe for ages 0-6 with fun play centers and plenty of space to run about! I really love going there because while my daughter (3.5) has fun playing, my baby can safely play in their separate area that's designed for younger kids.

DuPage Children's Museum

by: Ali

Recommended

The museum is great for young children to explore, run around, and meet new friends. They have a good membership that allows you to go frequently without feeling pressured to stay too long each time.

Waterlemon Kids

Recommended by: Katie

Located in Downtown La Grange, just a short drive from Naperville, Watermelon is a bright and stylish indoor play cafe for kids 5 and younger. They provide a play yard, venue for private parties, and story time with various characters like Paw Patrol and Elsa. They also offer a 5 visit pass (saves \$10) that never expires.
